## Spiritual Profile

---

This Spiritual Inventory Profile document is part of the Pre-Ministry process. Please fill this out as completely as possible. This is vitally important.

**This form is designed to be completed online**

Please highlight your answers in **RED** or **YELLOW**.

<b>Y</b>	<b>A</b>	<b>N</b>
----------	----------	----------

Y=YES A=Ancestral N=Not Sure

If both You and your Ancestors have been involved in the issue, then highlight both **Y** and **A**.

If you are not sure, highlight **N**

Where required, please provide as much details as possible, and other people involved e.g. uncle, teacher, school friend, employer, as it will help us to get to the root of the spiritual problems.

Before you start to answer the questions, ask God the Father in the name of Jesus Christ for His Holy Spirit to help you, and to bring to your memory everything that is important and relevant for your healing and deliverance.

You will begin to experience attacks from the enemy, but this is to be expected as they will be reluctant to give you up. **Please persevere, don't YOU give up.** There are prayers on **OracleMinistry.com** that can help you with praying against any spiritual attack.

**There are two parts to this document**

**Part two** is to enable us to identify when deliverance of high order demons and satanic angles is required. This is for people endeavouring to break free from occult and demonic possession.

### **Privacy**

As stated clearly on every page, all information is dealt with the strictest confidence and not shared with anyone other than our ministry team.

At the completion of our ministry together, this form and all information gathered will be destroyed or returned to you, as requested.

Any embarrassing issues relevant to your deliverance can be addressed at time of ministry if you are uncomfortable disclosing them on this form.

## Un-forgiveness

The ultimate proof of Total Forgiveness is when we sincerely petition the Father to honour our decision to release and let off the hook all those people ( including feelings, emotions, traumas and incidents) who have hurt, disappointed, rejected, abused (physically and/or sexually) us or any loved one, unconditionally and without any desire for recompense or restitution.

Do you hold un-forgiveness and bitterness in your heart towards anyone or anything?	<b>Y</b>	<b>N</b>

# Spiritual Profile

Are you finding it difficult to unconditionally forgive anyone or anything?	Y	N
---	---	---

If yes, your complete deliverance depends on your choice to unconditionally forgive.  
Forgiveness is not an emotional feeling.  
It is a heart position.

Forgiveness comes from understanding that Forgiveness is a commandment of Father God. When we choose to stand in the heart position of forgiveness, Father God heals the emotional pain

1Corinthians 13:5 – Love keeps no record of wrongs

Please pray and ask the Holy Spirit to reveal your heart feelings from as far back as you can remember, and list every person, emotion and trauma that is still holding you in bondage. If space is insufficient here, please attach a separate list.
